Yes

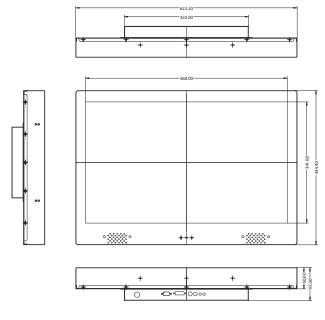

Remarks:W26L100 series= VGA input
W26L110series= VGA+Video input

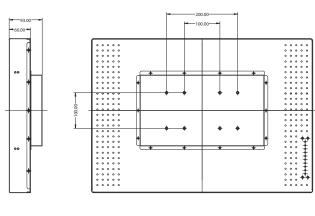

The Hantarex Semi Pro range of small, LCD chassis displays are housed in sleek metal housings which give them a custom design look. Wall mounting is achieved using a rear VESA connection.

They are offered in many different sizes from 6.5" in a 4:3 format up to 26" in a 16:9 format. They all have a standard PC (VGA) input but in addition can have video (PAL) and DVI inputs The choice of screens is also impressive with standard, touch and transflective available.
